I. Definitions

Professional Educator or Educator – An administrator, teacher, or student services personnel

Teacher – An individual whose major responsibility is to either teach or directly supervise teaching, as classified by the North Carolina State Board of Education (NCSBE).

Student Services Personnel – An individual providing specialized assistance to students, teachers, administrators, or the education program in general, as classified by the NCSBE. Student services personnel include, but are not limited to, individuals employed in school counseling, school social work, school psychology, audiology, speech-language pathology, and media coordination.

Administrator – An administrator or supervisor who serves in general and program administrator roles, as classified by the NCSBE. Administrators include, but are not be limited to, superintendents, assistant or associate superintendents, principals, assistant principals, or curriculum-instructional specialists.

II. Testing Requirements for a North Carolina License

Individuals seeking a North Carolina professional educator's license must meet the testing requirements established by the State Board of Education. The Initial Professional License may be converted to a clear Continuing Professional License provided the State Board of Education-required exam is taken at least once during the first year of employment, and passed before or during the second year of employment. Current testing requirements are at the end of this section.

III. Principles of Learning and Teaching (PLT) Exemption for edTPA and PPAT

Beginning on July 1, 2018, a candidate will be exempt from the Principles of Learning and Teaching (PLT) assessment requirement if the candidate can produce evidence of a passing score on a nationally scored edTPA or PPAT assessment.

North Carolina State Board of Education Approved Testing Requirements*

Four digit numbers in the "Required Tests" column indicate the ETS PRAXIS examination required for licensure. Required scores are reported in the final column. Scores for licensure areas with more than one required or available tests are reported separately, by test.
